Dear Raquel and Luis

On behalf of International Society of Pharmacovigilance and its officers, I would like to thank you very much for the excellent preparation of the ISO P Annual Meeting held in Argentina last October.

ISO P 2008 has been a great success reaching high scientific standards and I do believe the delegates had a rewarding time in Buenos Aires.

May I take also this opportunity to congratulate your team whose assistance has been invaluable for such smooth organization.

The financial outcomes of the meeting are very satisfactory in order to develop society activities and organization of events as conference or training courses.

Once again thank you so much for your work.

With my very best wishes,

Pr Nicholas Moore
President
